Devil is in the details

Get your basics right buddy

- Your curriculum
- Why do I have to study statistics and math?
- ICSI sucks!!
- Studying linked lists make me sleep

Where the world is moving

- Flat Hierarchy
- Man managers are not needed
- Technology is changing everyday
- Ways of working are evolving faster than before

I have to speak what I know erre English

- Start now
- Unbiased observation
- Know what other person wants
- Ask questions
- Smile please
- Good vibes, good feelings
- Honest intentions
- English - I'll class grammar

It all begins and ends in your mind

Right Attitude

- Start curious, be foolish
- Skilling up is your responsibility
- Ego never helps
- Complete with yourself
- Collaborate
- Help others to learn and grow

Expand your horizon

- Learn new things every day
- Follow right people
- Invest in developing your logic
- Read, read and read
- Earn and learn
