Dear friends,

We are delighted to invite you for a one day workshop on **IMPLEMENTATION OF NATIONAL EDUCATION POLICY-2020 FOR COLLEGE PRINCIPALS AND DIRECTORS**, organized by Padmashri Vikhe Patil College of Arts, Science, and Commerce, Pravaranagar-413713 and sponsored by Savitribai Phule Pune University, Pune, on **June 25, 2024**.

## ABOUT THE COLLEGE

Padmashri Vikhe Patil College of Arts, Science, and Commerce, Pravaranagar, was founded in June 1971 under the umbrella of Pravara Rural Education Society, through the efforts of great visionary Padmashri Dr. Vitthalrao Vikhe Patil- Founder Father of Sugar Co-operative Movement in India to cater the needs of higher education in rural areas. Later it was succeeded by Loknete Padma Bhushan Awardee Dr. Balasaheb Vikhe Patil and now led by Hon'ble Shri Radhakrishna Vikhe Patil, Minister of Revenue, Animal Husbandry & Dairy Development, Government of Maharashtra.

College caters the educational needs of boys and girls in the surrounding rural regions and encompasses around 52 acres of beautiful greenery and huge ultra-modern buildings for teaching, learning, and research. College has Arts, Science, and Commerce faculties, 22 undergraduate, 18 post-graduate programs, 10 research centres, and 49 certificate courses.

The college has been honoured with the "Best Rural College Award" thrice by SPPU Pune, specifically in 2001-02, 2009-10, and 2021-22. Moreover, it attained "Star College" status from Dept. of Biotechnology in both 2010 and 2021. Additionally, it has been accredited with an 'A' grade in the third cycle and also recognized as a "College of Excellence" by UGC. These accolades reflect the institution's consistent dedication to providing quality education, particularly in rural areas, as well as its commitment to excellence in education and overall academic performance.

## ABOUT THE WORKSHOP

The National Education Policy 2020 brings forth significant highlights and transformative reforms aimed at shaping India's educational future. It emphasizes holistic education, adaptable assessments, skill development, technological integration, teacher training, and reforms in higher education. SPPU is implementing NEP-2020 for the first-year undergraduate degree programs in affiliated colleges from the academic year 2024-25.

In line with this initiative, the workshop aims to address doubts and confusion among the college Principal's and Director's about the newly established schemes at the degree and first-year levels. It seeks to facilitate the successful and effective implementation of the National Education Policy 2020 by creating a well-structured planning framework.
