- **About the Institution**

Pravara Rural Education Society, Pravaranagar, is one of the most reputed education societies in Maharashtra. It was established in 1964 by Late **Padmashri Dr. Vitthalrao Vikhe Patil**, the founder father of cooperative movements in India. To cater the needs in higher education of the rural masses, Padmashri Vikhe Patil College of Arts, Science and Commerce, Pravaranagar was established in 1971. Late **Dr. Balasaheb Vikhe Patil (Padmabhushan Awardee)** Former Minister of Heavy Industries and Public Enterprises (Govt. of India) carried forward the noble vision of his father and revolutionized rural education by starting many educational institutions in tune with the need of the hour. Presently Hon'ble **Shri. Radhakrishna Vikhe Patil** (MLA), Chairman, Loknete Dr. Balasaheb Vikhe Patil (Padmabhushan Awardee) Pravara Rural Education Society, Pravaranagar is shouldering the responsibility of providing the best facilities for the all-round development of students from rural background.

The College is located in rural area in Ahmednagar district of Maharashtra and has been catering to the educational needs for the boys and girls of surrounding villages. The college has around 53 Acres lush green and sprawling campus equipped with ultra-modern facilities for teaching, learning and research. The college is permanently affiliated to the Savitribai Phule Pune University, Pune and is approved u/s 2(f) and 12 (b) of the UGC act.

The college has Arts, Science and Commerce faculties. It offers education at under graduate and post graduate level. There are 20 under graduate and 18 post graduate courses along with 07 research centers and 14 certificate courses. The college has started Diploma in Sugar industry and Processing and Advance Diploma in Dairy Science under community college scheme sponsored by UGC, New Delhi in 2014. It is the only institute which offers restructuring pattern for UG under affiliating University, which is started in 1983 to encourage the multidisciplinary studies. The need based, skill oriented and personality development courses of the restructuring pattern have evoked tremendous response from the students. The college has 147 teaching and 259 non-teaching staff. In the academic year 2018-19 a total of 2953 students are pursuing education in the college. The college also offers B.A and B.Com degree programmes for dropout and employed students under YCMOU, Nashik.

The college has been honored twice with The Best Rural College Award in 2001-02 and 2009-10 from the Savitribai Phule Pune University. The college is ISO 9001-2008 certified. It is bestowed with Star College by DBT in 2010. The college was Accredited 'A+' grade and Re-Accredited 'A' grade with CGPA 3.61 by the NAAC in 2012 and has been recognized as the College of Excellence by UGC, New Delhi in 2014. Dr. Abdul Kalam Science and Innovation Activity Centre started in collaboration with Government of Maharashtra Rajiv Gandhi Science and Technology Commission and National Council of Science Museums (NCSM) under the Ministry of Culture, Government of India. Technology and Design Innovation Centre (DIC)-Spoke centre of SPPU is established. Along with conventional courses the college offers vocational courses like Seed Technology, Functional English & Computer Application. The degree courses in Computer Science, Biotechnology and Library & Information Science along with PG programs in computer, biotechnology are also available. Some bridge, remedial and add-on courses have been introduced for slow and advanced learners. The college has been supporting poor, intelligent and needy students through Earn and Learn Scheme since its inception. Active placement and career guidance cell helps students in fetching on and off campus jobs. The extra-curricular activities like NSS and NCC are helpful in developing good citizens of India.
