

WOMEN EMPOWERMENT CELL ACTIVITY REPORT-2021-2022

On 16th December 2021, a poster presentation competition was organized by the women empowerment cell of the college on gender sensitization to make the boys and girls gender sensitive and create positive values that support the girls and their rights. In this competition, 115 students participated, of whom 92 girls and 23 boys participated. The chief guest of the competition was the principal of our college, Dr. P.M. Dighe; the guest of honor and examiners were Prof. Jayshree Singar, principal of A.C.S. College Satral; and Prof. Sanjay. V. Lahare, principal of ACS College Rahata. This competition was held in the multipurpose hall of our college. The best three posters were selected by the examiners, and the guests gave certificates to the first three winners, Dnyaneshwar Manik Deshmukh, Kumkar Pratiksha Mangesh, and Shaikh Afroz Rashid, of the competition. Two participating students, Rathi Sejal Rajendra and Patil Satlaj Sandeep, were awarded incentive rewards. The examiners guided the students regarding the topic of the poster presentation. For this event, the principal of our college, Dr. P.M. Dighe, the vice principal, Dr. R.J. Rasal, Prof. C.S. Galande, Prof. Thorat, Dr. A.S. Wabale, and all the ladies staff were present.

On International Women's Day, 8th March 2022, the Women Empowerment Cell organized a special guest lecture on Women's Personality Development, featuring Sau. Shalinitai Radhakrishna Vikhe Patil, former Zilha Parishad President and Trustee of Loknete Dr. Balasaheb Vikhe Patil (Padmabhushan Awardee) Pravara Rural Education Society, Pravaranagar. She encouraged women to become self-reliant, sharing success stories of women from the Pravara area. The lecture was attended by 132 girl students and 27 boy students. On the same day, a Blood Checking Camp was also organized for lady staff and girl students, where 670 participants had their hemoglobin levels tested. Pravara Rural Hospital, Loni, and their medical staff collaborated with us. We identified 18 girl students with hemoglobin levels below 8 and informed their parents. On March 16th March 2022, parents were invited to the college, where Principal Dr. P.M. Dighe counseled them on the serious health issues related to their daughters' low hemoglobin levels and the potential risk of various diseases

On 3rd March 2022, under the Nirbhaya Kanya Abhiyan Scheme 2021–22 and the Student Development Board as well as the Women Empowerment Cell, a lecture was organized in the colleges by Dr. Bhavana Gadhve, one of the famous gynecologists at the DGO, Mauli Hospital Sangamner, on the topic of "Women Health and Nutrition." She explained in her lecture how to take care of women's internal health, which can lead to life-threatening diseases, mainly pelvic inflammatory diseases, white discharge, PCOD problems, fibrotic problems, breast cancer, etc. She said in her speech that exercise like yoga and pranayam is very important in our lives. She also guided the students about the harmful effects of tight clothing and was aware of the girl's suggestion to wear cotton clothes. The president of the program was Dr. PM Dighe, principal of the college. Vice Principal Prof. CS Galande was also present for the program. Dr. Kalpana Palghadmal introduces the program. Prof. Shamal Kumbhar delivered the vote of

thanks, and Dr. Sangeeta Wakole anchored the program. The ladies staff and 75 girl students of the college were present for the program
