ACTION TAKEN REPORT ON FEEDBACK
Academic Year: 2021-22

The Principal of the college presented the feedback analysis report to the College Development Committee (CDC) in the annual meeting. The CDC members instructed the following action taken to the suggestions of the stakeholders.

Focal Points	Action Taken	Responsibility
Course coverage	During the staff meeting, teachers were informed to cover the syllabus according to University guidelines and to conduct revisions and class tests to ensure that the students understand the concepts of difficult subjects.	Head of Department
Imparting of course curricula	Teachers were encouraged to attend seminars, workshops, and conferences in order to enrich their knowledge which improves the teaching and learning experience in the college.	Head of Department
Learning human values, professional ethics and other cross cutting issues	Curriculum is designed by Savitribai Phule Pune University, Pune which included various topics/chapters covering cross cutting issues. Our institution takes utmost care to impart these cross-cutting issues to the students while delivering the syllabus.	Head of Department
Skill enhancement related courses	College formed a Skill Development Committee, under the guidance of this committee; institute conducted 40 Add on/Skill/Certificate courses for the students.	Skill Development Committee
Balance between theoretical and practical aspects of the courses	The concerned teachers are instructed by Principal to maintain balance between theoretical and practical aspects of the courses	Head of Department
Relevance of the syllabus and make it application-based	During the staff meeting, teachers were informed to arrange industrial visits, implement project-based learning and emphasize problem-solving method to ensure application-based learning.	Head of Department

Conclusion:

Thus, the feedback given by the stakeholders were analyzed and suitable action was taken so as to satisfy the expectations of students, alumni, teacher and employers. This further helped us to improvise our curriculum as per the expectations of the stakeholders.
